Students have three grade options:

No Grade Requested (NGR) – The majority of students opt for NGR. No work is required; no credit shall be received; no proof of attendance can be provided. (Not suitable for those requiring proof of attendance/completion.)

Credit/No Credit (CR/NC) - Attendance and participation is required.

Letter Grade - For those of you who would like a grade, please see the instructor at the first class for an assignment.

*Please Note: If you require proof that you completed a Continuing Studies course for any reason (for example, employer reimbursement), you must choose either the Letter Grade or Credit/No Credit option. Courses taken for NGR will not appear on official transcripts or grade reports.
